

How to Connect a Fitness Device to OurHealth Wellness Challenge Platform

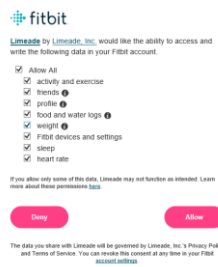

1. Go to member.ourhealth.org/sign_up/stateofin and login to your account
2. Click on the  icon (top right corner of screen) to find the list of compatible Apps & Devices
3. Under Apps & Devices, choose the app you would like to connect

4. Once you have selected the app, enter your username and password to sign in to that account

5. Select all data you want to share with the OurHealth Challenge platform/Limeade

6. You should now see your device is connected to your OurHealth Challenge portal
