

# Online Appointment Scheduling

Online scheduling is the easiest way to book an appointment. You pick the date and time, and your appointment will be confirmed within minutes.

1. Log into your account at [member.ourhealth.org/sign\\_in](https://member.ourhealth.org/sign_in)

2. Select the reason for your visit:

 <p><b>Government Center Health Center by Marathon Health</b></p> <p>Visit the Marathon Health Health Center for primary care including preventive, acute, and chronic disease management services. The Health Center is located within the Government Center and available to employees, spouses and dependents 3+ on the health plan.</p>	 <p><b>Physical Therapy</b></p> <p>Learn more about physical therapy services onsite within the Government Center Health Center and how you can schedule.</p>	 <p><b>Dental Services</b></p> <p>Schedule dental services onsite within the Government Center Health Center. This is available to anyone with approved dental insurance.</p>	 <p><b>Vision Services</b></p> <p>Schedule vision services onsite within the Government Center Health Center. This is available to anyone with approved vision insurance.</p>
